Key Focus Areas

- **Introduction of Robotics** for Grades VI to VIII covering **STEAM concepts, Coding, and Artificial Intelligence.**
- **Special Saturday Sessions** upgraded for Grades VI to IX, including **Life Skills Seminars, Group Discussions, and Quiz Competitions.**

Differentiators of Academic Year 2024 - 25

a) Hike in tuition fee from the Academic Year 2025-26

The revered members of Parent Teacher Association are explained with the details of 10 percent hike in Annual tuition fee of the school as the fee has not been hiked for the past three academic years in view of existing needs. The same has been approved by the stake holders.

b) Upgradation of School Buses

All school buses are being upgraded with an air-conditioning system for the comfort of our students. This upgrade will be effective from the month of June 2025, coinciding with the reopening of school after the summer vacation.

c) **ROBOTICS Education for Grade VI to VIII students**

In association with STEAMROBO, we are planning to introduce **Robotics** for Grades VI to VIII. The program will cover concepts of **STEAM & Robotics, Coding, Artificial Intelligence, Augmented Reality, and Virtual Reality**, aimed at enhancing students' technical learning and innovation skills.

d) **Life Skill Education**

We introduced **Life Skills** as a subject for **Grades VI to IX** starting from the **Academic Year 2024–25**, in alignment with **CBSE guidelines.**

This initiative aims to nurture essential values, decision-making, and emotional well-being in students.

e) Special focus on Late bloomers

We are placing greater emphasis on **late bloomers** to support student learning.

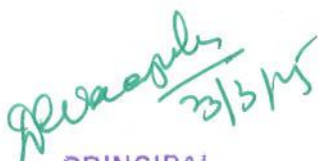

A **unique schedule** has been prepared to address individual learning needs.

Dedicated and experienced **staff have been allotted** accordingly.

This initiative aims to bridge gaps and strengthen academic performance.
